UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

FLUKE ELECTRONICS CORPORATION a
Washington corporation.

Case No.: C 08 01188

Plaintiff.

v

STEPHEN MANGELSEN, a California resident;
Defendant.

**PLAINTIFF FLUKE ELECTRONICS
CORPORATION'S CASE MANAGEMENT
STATEMENT AND PROPOSED ORDER**

Hearing Date: June 23, 2007
Time: 10:00 am
Courtroom: 8
Judge: Hon. James Ware

Complaint filed: February 28, 2008

Plaintiff Fluke Electronics Corporation (“Fluke”) submits this Case Management Statement and Proposed Order and request the Court to adopt it as its Case Management Order in this case. Plaintiff Fluke attempted to “meet and confer” telephonically with Defendant prior to June 12, 2008. On June 12th and June 16th Plaintiff sent drafts of the proposed statement to Defendant. Attached is Defendant’s response. Defendant did not authorize Plaintiff to file a joint statement on its behalf.

JURISDICTION

This Court has jurisdiction pursuant to 28 U.S.C. § 1332 as the amount in controversy exceeds \$75,000 and the parties are citizens of different states. The September 14, 2007

PLAINTIFF FLUKE ELECTRONIC CORPORATIONS' CASE MANAGEMENT STATEMENT AND PROPOSED ORDER

1 settlement agreement that is the subject of this action provides that state and federal courts in
2 California have jurisdiction over this dispute. Pursuant to Local Rules 3-2 and 3-5, this action is
3 in the San Jose Division because the defendant resides in Santa Cruz County and a substantial
4 part of the events or omissions which give rise to the claim occurred in Santa Cruz County.

5 **DESCRIPTION OF THE CASE**

6 **1. A brief description of the events underlying the action:**

7 This is an action to collect monies owed under a shareholder settlement agreement
8 between Fluke and Mr. Stephen Mangelsen, the former Chief Financial Officer of Raytek
9 Corporation. Pursuant to the merger agreement between Fluke, Raytek, and the former common
10 equity shareholders of Raytek, Mr. Mangelsen and other shareholders of Raytek received
11 substantial compensation as a result of the merger. Mr. Mangelsen received over three million
12 dollars.

13 After the merger a dispute arose between the former shareholders and Fluke as to monies
14 owed to Fluke pursuant to indemnification obligations undertaken by Mr. Mangelsen and the
15 other Raytek shareholders related to certain pre-merger patent lawsuits that Raytek was involved
16 in. Under the merger agreement, Mr. Mangelsen and other former Raytek shareholders were
17 served with a demand for arbitration arising out of those lawsuits and claims that were filed
18 against Raytek. These claims between the former shareholders and Fluke were ultimately settled.
19 Pursuant to the terms of the September 14, 2007 settlement the former shareholders including
20 Mr. Mangelsen, were to pay a pro rata percent share to Fluke. Mr. Mangelsen's pro rata share of
21 the settlement amount was 5.911963% which is \$388,662.78. The settlement agreement binds
22 Mr. Mangelsen to pay his 5.911963% share of \$388,622.78. Fluke demanded payment on several
23 occasions from Mr. Mangelsen, who has refused to make any payment. Most all of the other
24 shareholders have paid their share of the settlement.

25 Fluke seeks damages in the amount of \$388,662.78 plus interest as a result of Mr.
26 Mangelsen's breach of the agreement and other amounts to be proven at trial and any other relief
27 that may be awarded by the Court.

28 **PLAINIFF FLUKE ELECTRONICS CORPORATION'S CASE MANAGEMENT
STATEMENT AND PROPOSED ORDER**

1 **2. The principal factual issues which the parties' dispute:**

2 Fluke contends there are no material factual issues in dispute.

3 Defendant Mangelsen contends that:

4 **3. The principal legal issues which the parties dispute:**

5 Whether Mr. Mangelsen has breached the agreement reached between the parties
6 regarding the pre-merger patent lawsuits and claims that were filed against Raytek.

7 Defendant Mangelsen contends that:

8 **4. The other factual issues [e.g. service of process, personal jurisdiction, subject**
matter jurisdiction or venue] which remain unresolved for the reason stated
below and how the parties propose to resolve those issues:

9 Mr. Mangelsen initially responded to Fluke's complaint by filing a motion for more
10 definite statement and to strike the second cause of action. Fluke timely filed its opposition. The
11 motion is scheduled to be heard on June 23, 2008.

12 **5. The parties which have not been served and the reason:**

13 Fluke does not anticipate any additional parties will be served.

14 Defendant Mr. Mangelsen contends that:

15 **6. The additional parties which the below-specified parties intend to join and**
the intended time frame for such joinder:

Subject: RE: FLUKE ELECTRONICS CORPORATION v. MANGELSEN

Anna and Steve,

The Joint CMC Statement is not due, per local rules or FRCP, tomorrow.

Preparation and filing of one is premature. We cannot confer on a discovery plan or limitations on discovery until the case is at issue and we know what allegations my client will be responding to. Mr. Mangelsen has not filed an answer to the suit. Also, as I have told Mr. Barber, Mr. Mangelsen is considering a cross-complaint.

I also note that you seek an October trial date, which is less than 120 days away. I am not sure if Mr. Barber really intends to make that pitch to Judge Ware. Of course, we will object to that and seek a trial date next year given the above and other factors like a reasonable amount of time to conduct necessary discovery.

When we do prepare a Joint Statement, the statement of facts will need to be less argumentative. There will be plenty of time to argue our respective positions regarding the facts as well as the legal issues.

Lastly, you and Mr. Barber do not have my permission to e-file a Joint Statement on my behalf. You should remove the word, JOINT, from the caption. If you feel that your office needs to submit something at this time, you can file something on plaintiff's behalf ONLY.
